

Bible Bug Scavenger Hunt

Welcome to the Bible Bug Scavenger Hunt!

Get some fresh air and refresh your soul as well.

Around all of our chapels— Soldier Memorial; Main Post Chapel; North, Central and South Iowa Chapels—we have hidden small Bible bugs. These bugs will help us hide helpful scriptures in our heart. As you search for the bugs remember to follow social distance rules of 6 feet between people and only keep one bug per person.

Once you find a bug, look up the Bible verse on the next page that is the same color and say it out loud so that the people around you can hear it. Take your Bible bug home and put it special place you can see it each day to remind you of the words of the verse and read the verse again.

We also encourage you to pray for the following people based on the color of your bug. The prayer can be as simple as God please help . . .

Red - First Responders

Orange - Teachers and students

Blue - Doctors and Nurses

Purple - Government Leaders

Pink - People who are sick

Green - Truck Drivers and Store workers

Yellow - People in Nursing Homes/Care Centers

We hope you enjoy some fresh air and want you to know we are praying for you and your family. Let us know that you found a Bible bug by sending us a message or a picture of you with your bug at <https://www.facebook.com/fortleonardwoodRSO/>

Have fun - The Fort Leonard Wood Religious Support Team
