

Wait in hope!

Your Table Today

Hope is Not a Method

Read this verse aloud at your table tonight

Psalm 31:24

*Be strong, and let your heart
take courage,
all you who wait for the Lord.*

add to your talk?***

Heart Warming

You will need slips of paper and pencils or markers for this activity. Hand out slips of paper to everyone at your table. Everyone should have enough blank slips to make a note for each other person at the table. On one side of each slip write the name of another person at the table. On the reverse side write a word or phrase or draw a picture of encouragement for that person. Repeat until each person has prepared an encouragement for every other person. Take turns walking around the table and leaving notes of encouragement under each person's chair. When the meal is over invite everyone to gather up and read their notes.
