- Highlights:
 - Growing With Parenting: *“A **mutual** journey of **intentional** growth for **both** ourselves and our children that trusts God to transform us all.”*
 - Adolescent journey starting earlier and ending later. *“14 is the new 24. 28 is the new 18.”*
 - Three Key Areas of Young Adult Exploration: Family, Faith & Future
 - Three Key “Growing With” Strategies:
 - Withing – a family’s growth in supporting each other
 - Faithing – a child’s growth in owning & embodying their own journey with God
 - Adulting – a child’s growth in agency to shape the world around them
- Question for Reflection: What evidence have you seen in your family life and/or ministry that the adolescent journey is starting earlier and ending later? Describe at least three instances.

Key Strategies for the Journey

FAMILY

- **Faithing:** *a child's growth in owning and embodying their own journey with God as they encounter new experiences and information.*

FAITH

- **Adulthooding:** *a child's growth in agency as they embrace opportunities to shape the world around them.*

GROWING WITH READ & REFLECT

- Questions for Reflection
 - What are some of the challenges to withing presented by life in military families and communities?
 - What are some processes and/or programs you might institute in your Chapel to support warm withing relationships in your military community?

GROWING WITH READ & REFLECT

- Read Chapter 4: Thriving in Family “Withing” – Walls of Support
- Highlights:
 - *Withing: a family’s growth in supporting each other as children grow more independent.*
 - Withing Insights:
 - Be a Wall of Support s/he can come back to
 - Pushing away is a normal step towards **INTER**dependence
 - Controlling parents tend to have young adults with lower levels of self-worth and higher anxiety
 - See children through the lens of Genesis 1, not Genesis 3
 - Words to draw them back: *“I apologize.”*
- Question for Reflection: Of the additional parent stressors listed in the chart on p. 114 of the text, what kind of program and/or process might you institute to help parents navigate the challenges associated with one of these stressors?

GROWING WITH READ & REFLECT

- Read Chapter 5: Thriving in Faith – Quest for a Faith That Grows With
- Highlights:
 - *Faithing: a child's growth in owning and embodying their own faith journey with God as they encounter new experiences and information.*
 - Faithing is...
 - About making sense of our spiritual journey, not merely learning more information
 - Seeking to integrate , not separate spirituality and life experiences
 - More than intellectual, it also has relational and emotional qualities
 - Faithing Insights:
 - Moves us from an abstract God to a reliable Jesus
 - Involves searching
 - Invites doubt rather than avoids it
 - Grows best with a solid starting point
- Question for Reflection: The authors indicate that many parents worry about their ability to speak fluently about their faith. How do the authors suggest that parents address that challenge? How might your Chapel create spaces where faithing conversations can happen across the generations?

GROWING WITH READ & REFLECT

- Read Chapter 6: Thriving in Faith – Faithing Together
- Faithing Insights for Congregations and Communities:
 - For Learners: provide intergenerational support and a place where conversation starts, not ends
 - For Explorers: provide support through life’s disruptions, distractions, and need for differentiation
 - For Focusers: provide good mentors within a mentoring community
- Questions for Reflection: The authors recommend that faith communities think of themselves as “exchange zones.” How do you understand this concept? How might this way of thinking impact what you do in youth and/or young adult ministries?

GROWING WITH READ & REFLECT

- Read Chapter 7: Thriving in Future – Relational Adulthood
- *Adulthood: a child's growth in agency as they embrace opportunities to shape the world around them.*
- Relational Insights:

 - Explorers: engaged in hooking up, swiping up, and breaking up – increased instances of sexual assault – some may choose to “come out” at this time
 - Focusers – dealing with questions about long-term relationships, living together and/or getting married, managing academic debt and marriage
- Questions for Reflection: Note the comments in this chapter concerning the differing racial and ethnic dynamics of relational adulthood. How and/or where have you seen these differing dynamics at work in your family, among your friends, or as a part of your professional ministry.

GROWING WITH READ & REFLECT

- *Adulting: a child's growth in agency as they embrace opportunities to shape the world around them.*
