HOW TO GET STARTED:

Read the FM Certification Handbook to understand the program's background, why it's important, and the requirements for each level.

Talk to your supervisor to gain an idea of your designated FM certification level and visit FM Online to view your level's requirements.

Collect your education and training history documentation, or proof of successfully completed education and training.

Complete the Learning History Worksheets to identify which requirements you already satisfy and work with your supervisor to create a pathway for achieving your certification.

Launch! When you are officially brought into the program you will be notified by your supervisor and "launched" in the FM LMS. The FM LMS is where you will track your progress toward obtaining and sustaining FM certification. Review the Job Aids for step-by-step instructions on how to navigate the LMS.
